LR 2015 projects OR.xlsx

Minor correction on the project list, the last project, Mid-Coast is a 2012 project, not 2011

Sorry

Subject: Load reduction estimate entries for 2015 in GRTS

Greetings Adam

Hope you are doing well

I entered the enclosed projects' load reduction estimates into GRTS by today.

As I refreshed the entries in the report component of GRTS I did not see the entries reflected in the totals for Region X. I assume that eventually the entries will show and be part of Region X's

As reference, I am including a summary of Oregon's entries.

Best wishes.

Ivan
